Planets in Your Hand

The seven mounts of palmistry, their planets, Cheiro's words for each (1916), his birth dates and the signs the astrologer Sepharial gives each planet (1920). Open right palm, little finger on the left.

Mount	Cheiro's words	Cheiro's dates (+ / −)	Signs
♃ **Jupiter** Base of the index finger	“Ambition, power, domination.”	Nov 21 – Dec 20 Feb 19 – Mar 20 (−)	Sagittarius, Pisces
♄ **Saturn** Base of the middle finger	“Reserve, melancholy, seriousness.”	Dec 21 – Jan 20 Jan 21 – Feb 18 (−)	Capricorn, Aquarius
☉ **Sun (Apollo)** Base of the ring finger	“Brilliancy, fruitfulness, success.”	Jul 21 – Aug 20 Jan 21 – Feb 18 (−)	Leo
☿ **Mercury** Base of the little finger	“Mentality, commerce, science.”	May 21 – Jun 20 Aug 21 – Sep 20 (−)	Gemini, Virgo
♂ **Mars** Two places: just under the upper part of the life line, and between the heart and head lines	“Vitality, courage, fighting, etc.”	Mar 21 – Apr 21 Oct 21 – Nov 21 (−)	Aries, Scorpio
☽ **Moon (Luna)** Lower outer palm, below the end of the head line	“Imagination, romance, changeability.”	Jun 21 – Jul 20 Jan 21 – Feb 20 (−)	Cancer
♀ **Venus** Base of the thumb, inside the life line	“Love, sensuality and passion.”	Apr 20 – May 20 Sep 21 – Oct 20 (−)	Taurus, Libra

Born Jan 21 – Feb 18? Cheiro's chapters give those weeks to three mounts at once: Saturn, the Sun and the Moon (each "negative"). Mars sits in two places on his palm; other books put the second Mount of Mars elsewhere.

How to use it: compare which mounts look fuller or flatter on your own hand, then read that planet's words as a prompt for reflection. Palmistry and astrology are traditions, not predictions.
